Thank you for your generous contribution to the Union County Community Shelter. It is through generous donations such as yours that the Shelter is able to provide life-changing services to the homeless and hungry in our county.

Our goal is to promote a swift return to self-sufficiency for clients. Your support allows us to encourage rapid rehousing and keep temporary homelessness from becoming chronic for many Union County residents. Contributions help us feed the hungry and shelter the homeless while transitioning those capable into permanent housing quickly.

On behalf of our board of directors, staff and clients, thank you for your generous gift and generous spirit.

Last year, the Shelter

- Served more than 55,650 meals
- Provided 13,305 overnight Shelter or motel stays
- Moved 107 homeless households to permanent housing
- Aided 4,011 county residents through food, emergency housing and rehousing programs

Sincerely,

Kathy K. Bragg
