*To our Church Family and Friends,*

Life has a purpose that the Gospel clearly defines. Real success many times comes with sacrifice. Satisfaction cannot be found in uplifting of one's self, but in the lifting up of God and He alone. It is He that brings satisfaction and a sense of being complete to our lives. The purpose God has for our lives is much more than just our community, but it can be a determining force that God is able to use to touch lives that will mean the difference from being with God for all of eternity or separated from Him. Real meaning for our lives, can only be found as we extend ourselves out into our communities and world, without reservation...nor hesitation. Joy can be found with the generosity of giving from the heart. Real truth can only be found in Christ, who wants us to know, experience and enjoy our lives in fullness.

Let Christ make a difference in your life and those around you will feel your love, but more importantly the love of Christ that binds us to Him and one another.

Thank you for allowing us to be a part of your lives. May God bless you and your families.

*Leon & Cindy*
