To Our Church Family and Friends:

As believers, we need to go to Calvary where God so love the world that he gave His only begotten Son. As believers, we need to go to Calvary where Christ was wounded for our transgressions and bruised for our iniquities. We need to go to Calvary where our hearts can remember Christ taking our sins upon the cross so we can have forgiveness. We need to go to Calvary to be overwhelmed with the truth that God has directed His love toward us in that while we were yet sinners Christ died for the ungodly.

A view of Christ on Calvary is always helpful to Christians! It will help us as we approach the Easter Season to set our hearts toward Calvary. A view of Calvary will help us to celebrate the victory of Christ over death and the grave.

In the midst of the terrible agony that Jesus endured on the cross, the suffering Savior brought to us the concern and love that our heavenly Father has for each of us. As Jesus would pray and ask His Father to forgive those who had nailed Him to the Cross, Jesus exemplified the tremendous love and grace that God planned for each of us.

Do you know Christ as your personal Savior today? This is the most important question that you will ever be asked, for that answer will tell you where you will spend eternity. Know Him today, ask His forgiveness of your sins and He will be faithful and will forgive you. Christ stands ready today for our answer. He waits, be sure to receive Him today for tomorrow may not come for any of us. Today is the day of our salvation!! Because He lives, you and I can live also for all of eternity in the presence of Christ himself. Give Him Your Heart and Life today!

Happy Easter as we celebrate the death, burial, and resurrection of Christ. Look to Calvary for there we shall find our salvation

Thank you for allowing Cindy and me to serve you. God Bless!

We have come into one of the most special times of the year. Easter is right around the corner. The death such a sad and somber time for the world. The resurrection which gave the world hope, and Jesus completed the mission his father set before him. He became the ultimate sacrifice for all of us. It's amazing to sit back and think a man loved us all that much to give his life not just for you, me, but everyone. He died for all of our past and future sins. This is the ultimate example of "servant love." Let everyone make a commitment to show someone servant like love during the Easter season. It will make us all a better person. Like always thank you for giving me and Kimberly the opportunity to server you and your children. We love you all! Aaron Griffin
