**A Note From Carol Fowler**

Thank you for all the prayers, concerns, and cards for Mom. She has really enjoyed opening the cards. We would appreciate your continued prayers for her recovery. Please specifically pray that she may overcome this very real debilitating fear of falling. The reality is that she could fall. She has made some great progress this week. She is starting to walk a few steps in the hall with the therapist, but the fear of falling takes over when she comes to where there is no guardrail. She is not quite ready for visitors and I will let you know when she is. Again, thank you so much for everything.
